Special Tips!

Senior apartments typically have long waiting lists. Plan ahead. Stop by or call for an application to be mailed to you so you can be added to their waiting list. Be a good renter, avoid eviction notices because this may affect your eligibility for future renting.

If needed, you are encouraged to start a preliminary application on-line at waitlistcheck.com . **IMPORTANT:** stay up-to-date with the City about your application and waiting list status! You can call the City of Redding at (530) 225-4048 for more information and about other affordable housing properties
